

## Fresh & Clean

Neutral all-purpose cleaner. Cleans without leaving a coating on the surface, with a pleasant fragrance.

### Instructions

**Application:** Devo Fresh & Clean is an all-purpose cleaning product that can be used on all kinds of surfaces, with added alcohol for rapid drying, designed for cleaning and regular maintenance of varnished or lacquered parquets. This product is also suitable for coverings with a hard top layer, such as polished granite, glazed tiles, synthetic floors (LVT), linoleum, laminate, sealed parquet, mirrors, windows, office furniture, screens, chairs, car interiors, etc.

- Fast drying;
- No rinsing;
- Dries without leaving streaks;
- No residues;
- Pleasant fragrance.

#### Available fragrances

- Spring Lavender
- Lemon and Lime
- Sandalwood Orange

**We invite you to consult the Devo Fresh & Clean technical sheet. Before application, the user is required to test, at his own risk and peril, whether the product is suitable for the applicable surface!**

**Preparing the surface:** Always start by cleaning the floor without wetting it (using a vacuum cleaner).

**Preparing the product:** Dilute according to the amount of soiling, by mixing 100 - 200 ml of Devo Fresh & Clean with 10 litres of warm water.

**Application:** Clean the floor with this solution using a mop, microfibre cloth, spray mop or floor cloth. Allow to dry without rinsing. The product does not leave any streaks. Devo Fresh & Clean leaves the surface clean and with a pleasant fragrance.

**Working temperature:** 10- 25°C.

**Consumption:** 300 - 500 m<sup>2</sup>/litre.

**Clean tools:** using water

**Shelf life:** unlimited in original sealed packaging. Keep away from frost.

**Disposal:** Dispose of any residual product and empty packaging according to local government requirements. This product can be disposed of in the concentrations recommended for use. Any restrictions imposed by local public authorities must always be respected.

# Fresh & Clean

## Technical properties

<b>Description (type):</b>	Neutral all purpose cleaner
<b>Base:</b>	Natural soaps, surfactants (e.g. sodium laureth sulfate) and isopropyl alcohol for fast drying
<b>Characteristic properties:</b>	Cleaning product that does not damage the material, so that the initial surface is retained, based on synthetic soaps with added isopropyl alcohol for fast drying. Very low foam product that leaves no streaks. Cleans and maintains a wide range of materials with a single treatment.

Material humidity:	Not applicable
Product preparation:	Dilute according to the amount of soiling, by mixing 100 - 200 ml of Devo Fresh & Clean with 10 litres of warm water.
Pot life:	Not applicable
Application:	mop, microfibre cloth, spray mop or floorcloth
Diluent/cleaning product:	Water
Consumption/covering power:	300 - 500 m <sup>2</sup> /litre.
Layer thickness:	Not applicable
Finish:	Not applicable
<b>Physical and chemical properties:</b>	
Colour(s):	Colourless
Odour:	Lavender Lemon & lime Sandalwood/Orange
Consistency:	Liquid.
Viscosity:	1800000 mm <sup>2</sup> /s (kinematic)
Specific weight at 20 °C/density:	1,008 kg/litre
Solid matter weight/volume:	-
VOC content:	-
Drying at 20 °C/65% RH:	-
Fully hardened after:	Not applicable
Gloss (H. 60°):	Not applicable
pH at 20 °C:	7.1
Solubility:	Totally water-soluble.
Vapour pressure/20 °C, Pa:	-
Flash point:	>75 °C
Self-ignites at:	Not applicable
Shear strength:	Not applicable
Shelf life:	Unlimited in sealed packaging, store away from frost.
<b>Safety:</b>	<b>Warning:</b> Keep out of children's reach. When obtaining medical advice, keep the packaging or label close at hand. Safety information sheet available on request.
<b>Environmental information:</b>	
Biodegradable:	The surfactants used in this preparation meet the biodegradability criteria defined in Regulation (EC) N° 648/2004 on detergents.
Disposal:	This product can be disposed of in the concentrations recommended for use. Any restrictions imposed by local public authorities must always be respected.
<b>Delivery/transport:</b>	
Packaging:	1 litre and 5 litres
